About me

I'm Abdullah Azzam Firdaus (Azzam), a passionate web developer and visual content creator currently studying at IDN Boarding School Solo. I specialize in UI/UX design, social media strategy, and creative digital storytelling. I enjoy leading creative teams and transforming ideas into impactful digital experiences.

Education

SMP DAROJATUL ASHFHAD 2019-2022

IDN BS SOLO 2022-2025

Experience

Taught at SMP IT Darajatul Ashfad, focusing on Design Fundamentals. Guided students in understanding the core principles of design, key elements for impactful visual communication, and practical techniques to design effectively and accurately.

Served as Social Media Manager and Designer at PT Beonet, managing content creation and visual branding to boost engagement and strengthen the company's online presence.

Mentored students in building basic application interfaces, introducing component-based thinking, user interaction flow, and simple front-end logic through hands-on projects.

Conducted a one-week workshop on UI/UX and front-end interface implementation, teaching layout structure, responsive design concepts, and practical usage of Figma-to-interface workflow.

Skills

Figma:

Pen Tool, Typography, Lines, Rectangles, Ellipses and Texts, Vector Editing, Fill, Stroke and Effects, Groups, Gradients / Effect Stacking, Frames, Constraints & Grids, Auto Layout Frames, Components, Component Variants, Figma Desktop App, Keyboard Shortcuts, Community Plugins, Microblog, Poster, Flyer, UI/UX

Front -end

Proficient in HTML5 (semantic markup, basic accessibility) and CSS3 (Flexbox, Grid, responsive and mobile-first design). Comfortable using JavaScript (ES6+) for DOM manipulation and basic application logic. Familiar with React.js (components, props, state, basic hooks). Experienced in translating Figma designs into clean, responsive web interfaces and collaborating using Git & GitHub.

Project

Peti ngemil

Designed the UI/UX for the Petingemil brand, focusing on creating a user-friendly and visually appealing interface to enhance customer experience and engagement.

E-Comarce

Contributed to the development of e-commerce visual assets and front-end interfaces, supporting marketing campaigns through UI layout implementation and consistent design across digital platforms. Collaborated with the team to ensure visual clarity and user-friendly presentation.
